In the community for **Good**

Jesus said

‘you are the **salt** of the earth
... the **light** of the world.’

We are ordinary people of all ages and backgrounds who are here to communicate God’s amazing good news to Dereham by speaking about what Jesus has graciously done for all of us, and living in the light of it through the power of the Holy Spirit.

We are actively involved within the community, praying and serving to see the Kingdom of God advance where we live.

The Wellspring Eldership team.

Pete Collinson, Jon Beardon. Phil Eggleton

Wellspring Family Church

Worship

We meet together every Sunday from 10.30-12. Worship is informal and joyfully participative in style, for God is with us.

Prayer

We meet on Fridays and at other times to pray.

Friendship

We meet midweek in homes to encourage one another.

Youth and Children

We believe that investing in our young people is essential to seeing God's Kingdom come in Dereham. We have a full children's programme on a Sunday morning and youth groups which meet midweek.

Witness

Everyone is a witness of Christ. We regularly run the Alpha Course for those wishing to learn more about Christianity.

Nations

All nationalities living in Dereham are welcome to join with us, and we take an active interest in world mission. We take an active interest in world mission, especially with our friends in Serbia, Czechia, Nepal and France.

Wider Family

We are part of a network of churches called Relational Mission, connected to the New Frontiers movement.

Through this we are actively engaged in church planting and in the UK and around the world. relationalmission.org

'You are the salt of the earth'

Through our Wellspring Family Centre charity we are committed to helping those in need in our local community. We host local community groups like the Mid Norfolk Foodbank, and operate our own projects.

: Supporting people with ME/CFS

: Supporting people with mental health issues

: Supporting parents with young children

: Supporting low income households

: Supporting those in danger of homelessness
