

# WELCOME TO WELLSPRING FAMILY CHURCH

God's plan is that those who are His people are united together, interconnected, interdependent, belonging to Him and belonging to one another. Rom 12: 4 says

*'For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another.'*

## What does it mean to belong to the church?

Everyone's experience of God is unique. Some people have been Christians for years before coming to be part of Wellspring, others are still investigating what they believe. Whoever you are and wherever you are we want to help you to find a sense of belonging like the description in Rom 12 above.

## Get Started

**If you have been a Christian for some time** and recently moved in then make sure you have introduced yourself to one of the Elders. Visiting for some Sundays will quickly give you a feel for what sort of church we are. Try out one or more of the Cell Groups to get to know a few people better.

**Perhaps you are a new Christian, or just wanting to find out more.** We hope that you too will find Sundays helpful. We regularly run the Alpha Course which would be ideal for you to investigate more about the Christian faith.

**If you are feeling that this is the right church for you to be part of then look out for the next Belonging Course.** These are 4 weeks long and will give you an overview of our vision and values.

**Alternatively joining a Foundations cell group** will help you to go through all the basics. This process should help you to arrive at a clear decision in your own mind about belonging to this local church.

## Get Connected

**The following words describe something of what it means to belong to the church.**

**Jesus** - it is His church. He leads us and we follow him. Knowing Him is most important of all, everything else comes from this.

**Caring** – this is two way. Caring for others in the church in practical ways, and receiving care too when we need it.

**Making Disciples** - Helping children, young people and adults become disciples of Jesus.

**Unity/Relating** – being committed to keep in good relationships with others in the church family. That means being together regularly.

**Worship/Serving** – finding your place to serve Jesus and one another.

**Leadership** – knowing the kind of people who are leading the church, what the vision is and following their lead.

**Giving/growing/going** – investing into the vision of the church with your time, energy, prayer and money.

**Loving** – this word summarises up what it means to be a disciple of Jesus Christ. Love for God, love the church and love the lost.
